Dear Praying Friends,

Greetings from sunny California! God has been so good. Since my last letter, my family and I have been traveling around the USA, visiting churches and presenting the need for Bible translation. We've been blessed by the Lord's protection in our travels, particularly as we made our way up from Mexico.

Deputation

It was a great blessing to visit my sending church, Liberty Baptist Church, in St. Amant, Louisiana! I am also grateful to Central Baptist Church in Baton Rouge, Louisiana, for allowing me to present my ministry during their missions conference and for choosing to partner with this project in Bible translation. I am also grateful to the Bethel Baptist Church in Pearl River for their decision to support my work! I am also grateful to each church that has allowed me to present and teach! It is truly a blessing to be able to be a blessing.

Ministry Work

I am currently counseling a young lady named Wendy, from Mexico City. I'd appreciate prayers for God’s wisdom as I seek to be a blessing to her. During our travels, we've had opportunities to share the gospel with several people, including Señora Maya who hasn't yet accepted Christ, and a Salvadorian man, Don Hugo who told me that Christ is his personal Savior!

We also met Karina, whose heart has been softened to the Gospel through many trials, she was sweetly saved after a couple of hours of witness! We're trying to connect her with the local church in Santa Ana, California. She has shared her contact information with me and I am hoping to begin counselling her very soon.

Return to Mexico

By God´s grace, I've also received an invitation to visit Chiapas, Mexico, where there are several tribal churches interested in this ministry. The tribe itself is organizing everything so that I can visit several churches in the mountain villages. Lord willing, I'll be flying out on October 29th.

Upcoming Return to the Philippines

I'm excited to share that I've purchased a ticket to fly to the Philippines on January 5th! I am looking forward to being able to return to the work that the Lord has set before me!

Global Bible Translation

I'm grateful to the Biblical Baptist Church of San Luis Potosi, the Translators School, and Global Bible Translators for their support of this project. I am particularly grateful to the current

students of the Translators School who invested so much time and effort to represent the Mag-Anchi project during their missions Conference last week!

Health Update

My health is holding up well, and God has been faithful as always. I have found our travel schedule a bit fatiguing; however, I am grateful for the way that the Lord has been working.

Thank you for your prayers and support.

Working for His Word,

Faith Duke
