February Prayer Letter 2026

Dear Praying Friends.

Thank you for praying for us.

Eneyde and I are so thankful to be home.

Faith and I left Seattle for the Philippines on a flight at 11:45 pm on January 4th. We arrived on January 6th and started looking for a place for her to live.

I preached in Orion, Bataan, at the church that Faith will be working with at their Wednesday night service on January 7th. The Lord blessed the service with several people coming to the altar after the message. A pastor took Faith and I to see several houses in the next few days trying to find her a place to live. Finally, someone took us to a nice place that is in a "safe" area and Faith rented it. It is a small place, but should be what she needs.

On Sunday morning, January 11th, I was able to listen to Pastor Joel Byram (from the Open Door Baptist Church of Kent, Washington) teach Sunday School and preach in the morning service. Then Sunday evening I preached in another church in the area.

On January 12th -13th, Pastor Byram had a Pastor's and Workers' Conference in Dinalupihan, Bataan, and asked me to preach on Monday afternoon.

I left to fly back to Seattle on Thursday morning, January 15th. It was hard to leave Faith at the airport. But I am so thankful that her love for the Lord allowed her to obey Him and do something that is hard, for His honor and glory. People need God's Word in their own language. I am thankful that she is willing to sacrifice to help that happen. Thank you for praying for our trip over there.

On January 16th, I flew back to Kansas City, picked up Eneyde and we started our trip home. We made it home on Friday evening, January 23rd. We were both very tired, but thankful to be home in Southern Mexico.

On Friday, January 30th, we left to go speak in a Family Conference in the Monte Horeb Baptist Church in the Mexico City area. Eneyde taught the ladies on Saturday morning and then in Sunday School. I taught the men on Saturday morning and then again in Sunday School. I also preached on Friday night, Saturday morning, Saturday night and Sunday morning. It was a hard conference. Because of the traffic, the place where we stayed was a little over an hour's drive to the church. When it was all over, we were dead. But we were thankful for the opportunity to help the church. There were 7 souls saved during the conference with one baptism. The people were very receptive to the teaching and preaching of God's Word with a lot of people coming to the altar after the messages. The pastor was very thankful that we went to his church.

Where we live it rarely gets down in the 40's. (It never freezes here.) But in Mexico City the weather is cooler. The last night we were there it got into the 30's. The buildings are not "sealed" so it's as cold inside as it is outside. As a result, Eneyde got sick and still hasn't recovered. Please pray for her.

I have been invited to preach a revival at a church in Tlaxcala on March 21st and 22nd. Please pray that the Lord will guide us and use us to help the church there.

Thank you for praying for us. We are thankful that the Lord continues to allow us to serve Him here. During our time out the Lord continued to bless the church services here and there are more new people in the church. What a blessing to see how the Lord works.

Thank you for continuing to support our ministry, we are indebted to you for your prayers and financial help as we help people come to Christ here and grow in their relationship with Him.

Yours for world evangelism,
Peter & Eneyde Duke
