April 2026 Prayer Letter

Dear Praying Friends,

Thank you for praying for us this last month. The Lord has been working in Yautepec, Morelos in marvelous ways.

Several people have been getting saved every week through the soulwinning and the church services. Several months ago the Lord started sending some people to the church that decided that they didn't want to be visitors, but instead become a part of the church family. Several new families and other individuals that have been reached through our soulwinning ministries and some of our people just inviting friends. It is exciting to see how the Lord is working in/changing lives. (What a blessing that two men have expressed a desire to go into the ministry. That's normally how it starts before we see people start surrendering for full time service and going off to Bible College.) The church attendance has doubled in the last several months and we need to move to a larger building as a result. We pay the rent on the 5th of the month and on March 5th, we were supposed to sign the new contract for this coming year. When I met with the administrator of the building, I was going to tell him that we would like to stay for about another 2 months while we try to find another place, but before I could tell him, he told me that he wasn't going to renew the contract. He told me that we had two months to move out. So, we discussed it in the church and the people said, why don't we look for some land to buy and build on instead? We have found some suitable land that we could

buy for about $50,000.00 USD. We could put a down payment on the land and then pay it off in three years. We have the money for the down payment, but with the offerings that are coming in, we could not pay to rent another building and make the land payments at the same time. Please pray with us that the Lord will guide us and provide us with what He knows we need. We have until May 5th to be out of our present building.

Thank you for praying for the revival services I preached at in Tlaxcala on March 21st and 22nd. There were several people saved during the revival and one man was baptized. The altars were full during the invitations.

This week, April 16th-18th, a group from Mexico City is coming to help us with evangelistic services in Yautepec. We will be having a service on the streets in different neighborhoods during the day and in the church at night. Please pray with us that the Lord will use these days to help many people come to Christ.

We will have the first wedding in the church in Yautepec. Adan and Magnolia got saved almost two years ago. They have been living together for several years and have realized their need to get married. They already did the civil ceremony but we will do the religious ceremony on May 1st. This is a sweet couple that has great potential for the Lord. Please pray that the Lord will continue to work in their lives.

Eneyde has been invited to speak in a ladies' conference in Córdova, Veracruz on May 29th and 30th. Please pray that the Lord will guide and use her as she prepares and speaks. The church is pastored by Genaro Flores who I led to Christ at his home in 2004 in Orizaba, Veracruz.

We are thankful for what the Lord is doing in Yautepec and we realize that it is because of your prayers for the ministry here. Thank you for being a blessing to us and the people down here.

Eneyde and I are so thankful that we can continue to serve the Lord here. Neither one of us can serve like we did ten or twenty years ago, but it is a great blessing that the Lord continues to work through our ministry.

Thank you for making that possible through your prayers for us and you sacrificial giving. It is an honor to be able to serve here and see people saved and growing in the Lord.

Yours for world evangelism,

Peter and Eneyde Duke
